PETITION TO REVIVE

Sir:

OFFICE OF PETITIONS

It is respectfully requested that the above-identified patent application be revived and proceed to issue. Failure to respond the Decision on Appeal rendered by the Board of Patent Appeals and Interferences, mailed August 12, 2004, by the non-extendable time period ending October 12, 2004, occurred unintentionally due to an oversight and clerical error. The entire delay from the due date of the required reply to the date of the filing of a grantable petition was unintentional as per 37 CFR 1.137(b)(3).

Please charge Philips Electronics North America Corporation Deposit Account No. 14-1270 in the amount of \$1500.00 for this petition. The Assistant Commissioner of Patents is hereby authorized to charge any additional fees or surcharges that may be required, or credit any overpayment to Account No. 14-1270.

Respectfully submitted,

By
